Raton Public Schools

Vision

Raton Public Schools will be known as an organization that exemplifies high-quality education for every student through excellence in teaching and in learning.

Mission

ENGAGE * EQUIP * EMPOWER

Dear Students, Parents, and Guardians:

Welcome to Longfellow Elementary School! We look forward to the shared successes of all our students, families, and school staff. Together we can make 2020-21 an outstanding year for all students.

As you are aware, in response to the COVID 19 Health Emergency our school is offering both a HYBRID MODEL and an ONLINE MODEL. Details about learning & instruction in each of those models are provided separately at the end of this handbook.

Parents and families, you are your child's first and most important teachers, and it is important that you participate in your child's educational experience. You can do this by:

- *Reading with your child for 20 minutes each day*
- *Supporting your child's engagement with remote learning opportunities provided by their teacher and other*

This handbook contains important information regarding district and school policies and expectations, including specific guidance related to COVID-19 safety. Please take the time to closely review the handbook and contact your child's teacher or the office with any questions.

Best wishes for a healthy and successful school year!

Yours in Education,

Longfellow Elementary School Staff

COVID-Safe Environment

Students/families/visitors who are not in compliance with requirements for social distancing, face coverings, and sharing of items will not be able to attend in-person class, use district transportation, or be present in school facilities. All staff will teach expected behaviors, remind and document - before referring students to the principal for transferring to an online-only program.

Personal Protective Equipment

Face Covering criteria: Must be a barrier - mask or shield - that covers the mouth and nose. Must prevent passage of droplets from breathing, speaking, coughing, sneezing, etc.

Student Face Coverings

- All students will be required to wear a face covering while on campus, participating in district/school activities, and utilizing district transportation
- Students may wear their own masks from home provided they meet the barrier criteria. Cloth masks must be taken home each night and washed before being used again.
- Clear face shields will be issued to each child and kept in classrooms for daily use. Face shields will be cleaned each day. Single use masks will also be made available depending on the child's tolerance of one over the other.
- Single use masks will be provided by the school and distributed as needed for children boarding buses (bus, if shield broken / damaged / missing)

Adult Face Coverings

All teachers and staff are required to use face coverings (masks and / or face shields) at all times in the classroom and in all other areas of student supervision and staff interaction.

Additional PPE

Gloves, gowns, hand soap, and hand sanitizer are provided by the district and are available for use as needed.

Mitigation Strategies

Student Focused Prevention

- Students will be washing hands at the beginning of the day and between changes of activity or venue (bathroom breaks, meals, recess, PE, etc.).
- Teachers will provide instruction on hygiene - such as not touching face, avoiding sharing of items, awareness of high touch surfaces.

Daily temperature checks and screening

- All students and staff will be monitored for elevated temperature upon entering the school facility daily using touchless thermometers.

Sanitation

Facility cleaning and sanitizing

- Teachers and Instructional staff will complete daily cleaning protocols for classroom surfaces and materials
- Custodial and Maintenance staff will complete daily and weekly protocols for sanitizing common areas and classrooms.

Classroom Adaptations

Environment

- Student desks and seating will be placed 6 feet apart (measured from center of student seated position).
- Students will remain at their desks / seating areas while in the classroom unless the teacher asks them to relocate. Traffic patterns which maintain distancing within individual classrooms will be addressed by each teacher.
- Students will not be sharing supplies or materials. They will be given their own supplies and teachers will make sure that each student's supplies are clean and are not touched by other students.
- Teachers will maintain a six foot distance between themselves and students when appropriate. Teachers will also move around the classroom to support students at their desk or seating area as needed. When a teacher does interact with a student in this manner, he or she will take every precaution (face covering, gloves if appropriate) to ensure the safety of your child and themselves.
- Use of face shields (or masks if preferred) will be required of all students. School will supply a face shield (or mask) for all students. Students' face shields will stay in the classroom and be cleaned each day. Single use masks will be thrown out each day. Students may also bring their own cloth mask which must be taken home each night and washed before being used again.
- Teachers will wear shields or masks at all times in the classroom and in all other areas of student supervision.
- All desks, chairs, door handles, countertops, and other high touch areas will be wiped down after school each day.
- Teachers will not request class snacks. See additional information about snacks below under "Nutrition Program."
- All students will wash their hands at the beginning of the day and between changes of activity or venue (bathroom breaks, meals, recess, PE, etc.). Soap and hand sanitizer will be provided.

Schedule

- Cohorts of students will stay together and not intermingle with other student cohort groups.
- Student movement around the building will be limited by having support staff (ancillary service providers, counselors, nurse, etc.) come to the classroom rather than sending students out.
- Staff duty assignments will be limited to as few groups of students as possible in order to minimize broad contact.

Facility Adaptations

Environment

- Hand sanitizer will be made available in common areas and frequently used spaces.
- Gloves and other protective gear will be supplied to staff as needed.
- Indoor walking areas throughout the building will be marked with floor decals placed 6 feet apart to support students and adults in maintaining appropriate safe distancing.
- Outdoor entry and exit areas will be marked with stenciled images placed 6 feet apart to support students, adults, and visitors in maintaining appropriate safe distancing.
- Students will be taught to maintain 6 feet distancing from peers and adults as they move through the building.
- Students will wear face coverings (masks or shields) during outdoor recess.
- Student and staff spaces such as restrooms, classrooms, gyms, and other learning spaces will be marked with signage indicating maximum capacity for maintaining appropriate distancing.
- Items may NOT be dropped off for students (forgotten lunch boxes, backpacks, snacks, etc.) To help ensure your child has everything they need:
 - Please send your child with a clean change of clothes in a zip lock bag or grocery sack at the beginning of the year. This will be stored in their locker to use if needed.
 - Also send your child with a light jacket or sweatshirt they can keep in their locker and use as needed.

Schedule

- Specials (Art, Computers) will be scheduled such that instructors come to the classroom, minimizing student movement around the building.
- PE may be held either in the gym or outdoors, weather permitting, with appropriate distancing.
- Outdoor recess will be available to one cohort of students at a time, and students will be guided to engage in activities to allow for appropriate distancing.

School Day Schedule and Attendance

Longfellow School is committed to helping ensure that your child receives a quality education. In order to accomplish this goal, your child must have your support to:

- ATTEND / PARTICIPATE IN SCHOOL DAILY
- ARRIVE / LOG IN ON TIME

Daily Schedule

Monday - Thursday Hybrid Model

- ★ 7:30 am staff on duty for student supervision
It is important that children NOT be on campus before 7:30
- ★ 7:55 am **instruction begins in classrooms**
- ★ 2:25 pm daily dismissal

Arrival Procedures

Each school morning, students may be dropped off beginning at 7:30 am, **not earlier please.**

- Parents and guardians must use the north building entrance and vehicle drop off line. Drop off students may not enter the building at the front entrance.
- Students arriving in the drop off line will be screened before they exit vehicles. A Longfellow staff member will meet vehicles to check temperatures with a touchless thermometer and direct children to enter the building with appropriate spacing between students entering either the Kindergarten building or the main building. All drop off students are to report immediately to their classroom.
- Students arriving by bus will be screened as they exit the bus. A Longfellow staff member will meet buses, check student temperatures with a touchless thermometer, and then direct children to enter the building with appropriate spacing between students entering the main building. Bus students are to report immediately to their classroom in the main building OR (kindergarten students only) report to the gym staging area to await escort to the kindergarten classrooms.
- Facility hallways will be marked with 6 foot spacing marks to provide visual reminders of appropriate spacing.
- When students arrive at their classrooms, teachers will direct them to proceed immediately to their designated desk / table area. Students will be allowed to go to lockers individually to put away their belongings. Students will be required to wash their hands at the start of the school day.
- Breakfast is served in classrooms beginning at 7:30 am

Students arriving after 7:55 am or at any other time throughout the school day must be **escorted by an adult to the building's front entrance**

- Use the front door intercom to communicate with office staff.
- You will be admitted to the foyer to sign the child in.
- Only students are permitted to enter the building.
- Your child will be marked tardy. Three (3) unexcused tardies will be equal to one (1) unexcused absence.

Dismissal Procedures

If there is a change in your child's end of day plan (pick up / bus / other), you MUST inform the school office of the change at least 1 hour before dismissal.

Foot traffic patterns and distancing will be monitored and addressed by all staff during dismissal.

Pick Up Zone

- Pick up students are escorted to the north drop off / pick up area by teachers.
- **Parents must stay in vehicles and use the pick up line.** There will be no standing and waiting in the pick up area. A Longfellow Staff Member will escort your child to your vehicle when you reach the front of the line. Please wait your turn as staff members assist students.
- Students are only released to persons listed on the **Information and Pick-up Consent Form**

Bus Dismissal

- Bus riding students are escorted to the front entrance of the school to the bus loading zone.
- Please do not use the bus loading zone for dropping off or picking up students
- The number to the **BUS BARN** is **445-9510**
- Remind your child that appropriate behavior on the school bus is necessary for everyone's safety. Bus drivers complete discipline referrals when needed and send them to the principal. Offenses may result in the loss of bus privileges.

It is very important that your child establishes a regular daily routine concerning how he/she gets home.

Early Check Out

When it is necessary to check a student out of school before the end of the day, keep in mind that students are only released to persons listed on the Information and Pick-up Consent Form. Please do not make a habit of checking your student out early as a matter of convenience. School is in session until 2:25 pm.

- If possible, call ahead to the school office to notify
- When you arrive at the school, ring the doorbell. You will be able to speak to office staff via the intercom.
- You will be admitted to the foyer to sign the child out
- When you are picking up your child, you will wait in the foyer and your child will be sent out to you

Delayed Day Schedule / School Cancellations

On days of inclement weather, school may be delayed or cancelled. Information will be shared on KRTN, local news channels, the school website, and school facebook page.

- When school is delayed, our day will begin 2 hours later than usual. Buses will run 2 hours later and school will start at 9:55 am.
- No breakfast is served on a delay start day, so please ensure students eat breakfast at home. Students will report directly to classrooms as on typical school mornings.

Transfers or Withdrawals

Children transferring or withdrawing from school must be cleared through the office. All text and library books must be turned in at the time of withdrawal. Missing text or library books must be paid for.

Attendance

Per School Board Policy/NMPED guidelines, students must attend 90% of a course in order to be promoted to the next grade level. This requirement remains in force during the 2020-21 school year. Given the current public health situation, student attendance may be earned through the delivery of virtual instruction.

Campus Safety & Security

Longfellow School is committed to ensuring that our campus is both family friendly as well as a safe and secure environment for students and staff.

Change of Address or Telephone Number

Parents / guardians must contact the school by sending a note / calling the office with changes in employment, home phone and cell phone numbers, or change in address. This information **MUST** be current so that teachers or office staff can contact you in the event of an emergency.

Visitors

Longfellow will limit normal visitation to our campus at this time. Volunteers and visitors will be admitted to the school building only on a case by case emergency basis and / or with an appointment made at least 24 hours in advance. All individuals entering the building will be required to wear proper face coverings (as determined by the Governor's executive order). Individuals proceeding beyond the reception area will be subject to the following guidelines:

- Visitors will be screened
- Visitors and staff will maintain physical distancing.
- Virtual parent meetings will be available when possible.

Students may NOT bring guests to school.

Student Drop Off and Pick Up

In order to minimize large gatherings of people during student arrival and dismissal, parents **MUST** use the car drop off / pick up line until further notice. There will be no park and walk up drop off / pick up of students.

Please review the map of the north parking area for guidance on traffic patterns.

- Enter the area **ONLY** via Memorial Lane north of the parking lot.
- Circle around the softball field to enter the drop off / pick up line via the right hand lane.
- Pull up to the stop sign to have your student exit / enter the vehicle.
- **VEHICLES MAY NOT PARK** or stand in the drop off / pick up lane.
- Stay in the same lane to exit.

We greatly appreciate your patience and caution when using our drop off / pick up area. Please do your part to help keep all students safe!

LONGFELLOW PARKING AND DROP-OFF

Bus Service The number to the Bus Barn is **575-445-9510**.

Students will be screened for elevated temperature before boarding buses in the morning. Students must wear a face covering (mask or shield) throughout the bus route and will be seated to minimize contact and maximize space between students.

District buses drop off and pick up students on East 4th Street in front of Longfellow School. Private vehicles may not drop off or pick up students in this area. Parking or stopping in the bus zone may result in a traffic citation.

Each afternoon, buses make stops at or very close to each child's residence or drop off destination. Parents and guardians must be present when their student arrives after school. Bus drivers do NOT wait to ensure an adult is present to receive the student at their stop. Please make every effort to be present when your child's bus arrives at the stop.

If a student is disruptive on the bus, it endangers the student and others on the bus. A School Bus Referral Report will be written by the driver and sent to the school. You will be contacted by the school in regards to the Bus Referral. Bus Referrals follow these steps:

1. Three verbal warnings given by the driver
2. Principal notification
3. Bus suspension - 3 days
4. Bus suspension - 5 days
5. Removal of bus privileges for the remainder of the school year.

Emergency Procedures

Should we have a major disaster or emergency during school hours, your student(s) will be cared for at this school. The Raton Public School District has a detailed emergency crisis plan for responding to major catastrophes. Based on the nature of the emergency, the school may take one of the following actions:

- **Lock Down** - no one in, no one out
- **Shelter in Place** - restricted movement in and around the campus
- **Evacuation** - moving all students and staff to a safer location

Your cooperation is essential in any emergency. Here's how you can help:

1. Do not telephone the school. Telephone lines will be needed for emergency communication.
2. Do not come to the school. Roadways must be accessible by emergency responders - fire, police, ambulance, etc.
3. Turn your radio to KRTN 93.9 or KCRT 92.5 for emergency announcements and information about student pick-up at the school or at an evacuation location. If electrical service is not affected, information will also be relayed to local TV Channel KOAT 7. As always, information is available by calling the District Office at 575-445-9111.
4. In the event of a serious emergency, **students must remain at either the school or off-site evacuation location until they are picked up by an identified, responsible adult who is listed on your child's emergency card.** The adult picking up your child must present photo identification. Be sure to consider the following criteria when you authorize another person to pick up your child:
 - a. He/she is 18 years of age or older
 - b. He/she is usually home during the day
 - c. He/she could walk to the school, if necessary
 - d. He/she is known to your child
 - e. He/she is both aware of and able to assume this responsibility

Bus Transportation Considerations During an Emergency

During the bus route

In the event that a natural disaster takes place while students are being transported by bus, students will be kept on the bus and the driver will ask for assistance through radio contact with the school and district personnel. Should road conditions prevent the driver from delivering students to their home or to the school, students will be delivered to the nearest school site and school personnel will communicate with the child's home school to inform families and guardians of the students' whereabouts.

Before the bus arrives

In the event that a natural disaster takes place while students are waiting for the bus at home / at a bus stop, students will not be picked up and remain the responsibility of the parent or guardian.

Please discuss these matters with your immediate family, and impress upon your student(s) the need for them to follow the directions of any school personnel. Planning ahead helps us all in alleviating concern during emergencies.

Pesticide Spraying

Pesticide spraying takes place at the school once a month. This is always done after school hours, with spraying outside of the school and in the basement. Classrooms are never sprayed with pesticides. If you would like to be informed when pesticide spraying takes place each month, please request a pesticide spraying information sheet in the office.

Instructional Program

See details on Hybrid and Online Instructional Models following this handbook.

School-Parent Compact

We value your role in working to help your child achieve high academic standards. The following is an outline of some ways you and school staff can build and maintain a partnership to share the responsibility of supporting your child's learning.

School's Responsibility:

- Provide high quality curriculum and learning materials
- Provide you with assistance in understanding academic achievement standards and assessments and how to monitor your child's progress
- Provide opportunities for ongoing communication between you and teacher through, at a minimum:
 - Annual parent/teacher conferences
 - Frequent reports regarding your child's progress
 - Opportunities to talk with staff, volunteer in class, and observe classroom activities

Parent's Responsibility:

- Encourage your child to attend school regularly
- Encourage your child to show positive school behavior
- Review your child's homework
- Monitor television watching (including gaming) and encourage positive use of your child's extracurricular time
- Volunteer in your child's school and classroom if time and schedule permits
- Attend parent/teacher conferences and participate, when appropriate, in decisions relating to the education of your child.

Please review this School-Parent Compact with your child. The School-Parent Compact may be discussed with you during a parent teacher conference as it relates to your child's school progress.

Grading & Assessment

Report cards are issued every nine weeks. Longfellow report cards (Grades K-2) reflect your student's level of mastery of grade level content and skills.

Your signature is required in order to ensure that you received your child's report card. Parent-teacher conferences are scheduled following the first and second grading periods for all students. If you should desire a conference with your child's teacher in addition to our regular conference times, please call the office at 445-9261 for an appointment.

Teachers and staff at Longfellow school use the following tools to assess student skills:

- IStation assessment of early reading and math skills - monthly
- iReady Math assessment – fall, winter, and spring
- ACCESS for ELLs English Language Proficiency Test - winter
- Classroom curriculum based assessments
- Observation of student work and learning behaviors

Make-Up Work

If you wish to request make-up work for your child because of an absence, please contact the office with your request.

School Personnel Qualifications

Based on the provisions of New Mexico Public School Code (22-10A-16 NMSA), schools which receive funding for federal Title I programs are required to notify parents of their rights to request information.

You, as a parent, have the right to request information regarding the professional qualifications of your child's classroom teacher(s) and / or instructional assistants.

If you request this information the school or district will provide you with the following as soon as possible:

- Whether or not the teacher has met the state licensing requirements for the grade level and subjects for which they teach.
- Whether or not the teacher is teaching under an emergency status or internship license.
- The type of college degree major of the teacher and field of discipline for any graduate degree or certificate.
- If your child is receiving instructional services from instructional assistants and, if so, his/her qualifications.

If you would like to request this information, please contact our school's office (575-445-9261) to request a form.

Student Assistance Team (SAT)

The building principal annually appoints a student assistance team whose purpose is to review the educational needs and progress of any student who may require additional educational support. In addition to parents or guardians and teachers, members of the team may include the counselor, one or more classroom and special education teachers, the principal, reading specialist, and others. The SAT chairperson may also request other school and community specialists serve as temporary team members for individual students. The SAT addresses individual student problems found through the general student screening process or those identified by parents, teachers, or other staff members.

The SAT may function as the building Attendance Committee for those students who have difficulty with regular and/or punctual school attendance.

Supplies

A list of classroom supplies for each grade level is available in the office. If your family is having difficulty providing all requested supplies, please contact the office. We have a limited number of additional school supplies which may be provided for your child.

Textbooks

All necessary textbooks are furnished at no cost to the student. However, if materials are lost, destroyed, or misused, the parent / guardian will be responsible to pay the replacement cost for those items.

Student Health & Wellness

Healthy children learn better. You can teach your child good life-long health habits and the basics of healthy living. Boost your child's readiness to learn and their immune system by:

- Ensuring your child gets plenty of rest each night
- Encouraging healthy foods. Have regular mealtimes and offer fruits, vegetables, and whole grains. Encourage water instead of soda or juice.
- Ensuring your child gets daily exercise - out in the fresh air whenever possible
- Avoiding your child's exposure to second-hand smoke in your home or vehicle
- Teaching your child to keep their body and hair clean - washing hands often, taking daily showers with soap and shampoo, brushing teeth twice a day, and using deodorant as needed.

Health Service Staff

Raton Public School employs a school nurse and nurse assistant. These staff members provide vision and hearing screenings and attend to student health needs for illnesses and/or injuries. The nurse or nurse assistant will respond to all medical situations and to administer medications by going to each classroom. This will limit the interaction of students in the halls and throughout the building.

Student Illness

Preventing Illnesses

Even though children will be in limited contact with one another at school, you can help prevent the spread of colds, flu, and other illnesses by keeping your child home if the following symptoms are present:

- Nausea, vomiting, or diarrhea
- Earache, ear drainage
- Sore throat, persistent cough
- Runny nose if the discharge is yellow or green
- Oral temperature over 100 degrees. Temperature should remain normal for 24 hours without medication before the child returns to school
- Headache or stomach ache in combination with other symptoms (cough or sore throat)
- Unidentified rash or communicable skin rash. Child may return to school with proper treatment.
- Pinkeye (conjunctivitis) in one or both eyes. The whites of the eyes will appear pink or red and feel painful and itchy. There may be yellow, green, or white matter in or around the eye or lashes.

When you keep your child home for illness, you **MUST** call the school office to notify of the absence and send a note with your child when they return to school. A doctor's note is required if your student is out for 3 days or more.

Illness at School

If your child becomes ill at school, they will be checked for elevated temperature. If they have a temperature above 99 we will call you to come pick him/her up. The absence will be excused by the nurse. Please make sure we have current phone numbers for yourself and emergency contact persons.

Possible COVID-19

- For students who present with fever and or other possible COVID symptoms, the school nurse / nurse assistant will be contacted to separate the student and confirm temperature and blood oxygen levels.
- The nurse / nurse assistant will wear a protective mask and blood while attending to the ill student and contact the local health authority.
- Parents or guardians will be contacted to pick up the student and follow up with their family healthcare provider. In an emergency, 911 will be called to provide emergency care and / or transport.

- Students will wait in an assigned safe area until being picked up and will be provided with gloves and a mask if they are not already wearing one.
- Areas used by the individual who shows COVID19 symptoms while at school (student, teacher, or staff) as soon as feasible.

Immunizations

All students must meet state immunization requirements in order to attend school. Immunizations reduce and eliminate vaccine diseases among New Mexico children, adolescents, and adults. Students who do not have required immunizations complete by **November 1** of the school year will be disenrolled until immunizations are completed or appropriate waiver documentation is submitted to the school nurse.

Nutrition Program

Raton Public Schools participates in a Universal Breakfast and Lunch Program in order to create a better learning environment for our students. Breakfast and lunch are available to all students at NO CHARGE regardless of eligibility status. The school breakfasts and lunches that we serve follow U.S. Department of Agriculture guidelines for healthy school meals. The School Breakfast and Lunch Programs cannot succeed without your support; please encourage your child to participate in the school meal program.

Meals at School

- Distribution of school breakfast & lunch will be in the classroom.
- Teachers and supervisory staff will monitor students in eating areas: classrooms with established distancing or outdoor areas with distancing measures
- Students may bring sack lunches from home, however students may not share any food items with others.

Snacks

- Fresh Fruit & Vegetable program funding has been awarded and Longfellow students will receive additional fresh fruits / vegetables with breakfasts and lunches.
- Students MAY bring additional snacks (individual only) from home for their own consumption.
- Students may NOT bring snacks or other food items (gum, candy, etc.) to share.
- Teachers may NOT bring bulk or individually packaged snacks to distribute to children.

Meals for Remote Learning

- Distribution of school breakfast & lunch will take place Monday - Thursday at established community bus stops. Thursday's distribution will consist of 2 days of student meals.
- Meals are available to all students in district online learning programs, hybrid programs, and all other children in the community ages 1-18.
- Contact A'Viands food service director at 575-445-3541, extension 1031 for more information.

Medications

In most cases children can receive required medications at home, outside school hours. If, however, your child must receive medication at school in order to be in school, you will need to bring the school nurse a signed and dated AUTHORIZATION FOR MEDICATION AT SCHOOL form completed by a Physician or Licensed Healthcare Provider. Examples of this are inhalers for asthma, rescue medications for severe allergic reactions, etc.

School Accident Insurance

The safety of our students is one of our most important concerns. Even so, accidents do happen and resulting medical treatment (ambulance transport, surgery, hospitalization, etc.) can be very expensive. Please know that **the Raton Public School District does not assume responsibility for these costs.** However, as a service to you and your child, Longfellow School has joined with thousands of others by offering you access to a low cost, voluntary purchase student accident/health insurance program. The program is arranged and administered by Myers-Stevens & Toohey & Co., Inc. a firm that has specialized in such coverage for 40 years. Details and an enrollment form are available in an accompanying brochure which you may request from your child's teacher or the school office.

Student Conduct & Discipline

Longfellow Elementary School participates in Positive Behavior Intervention Supports (PBIS), a district-wide program that teaches and promotes safe and orderly schools. We expect all children to: **Be Safe, Be Respectful, and Be Responsible** in each area of the school and throughout the school day.

The Three Bees

	Be Safe	Be Respectful	Be Responsible
In the Classroom	<ul style="list-style-type: none"> Keep hands, feet, and objects to self Keep the area on and around your desk neat and clean Handle pencils and scissors carefully Be a good listener Push in your chair when you stand up Walk at all times Feet and chair legs on the floor 	<ul style="list-style-type: none"> Use kind words, good manners and actions Raise your hand before speaking Share and take turns Respect others' personal space 	<ul style="list-style-type: none"> Return notes from home Be an attentive listener Take care of school property Follow directions Be on task
On the Playground	<ul style="list-style-type: none"> Walk to and from the playground Play safely What's on the ground stays on the ground Wear appropriate clothing and footwear Use equipment appropriately and safely Walk on the wood chip area Be a good listener 	<ul style="list-style-type: none"> Respect others' property Keep hands and feet to yourself When you hear the bell, line up immediately Allow everyone to play Play fair 	<ul style="list-style-type: none"> Follow the rules of the activity Need help? Get an adult Keep our playground clean If you see someone alone, ask them if they want to play with you
In the Cafeteria	<ul style="list-style-type: none"> Sit on your bottom Face your tray Before talking, swallow your food Clean up after yourself Keep hands, feet, and food to yourself Be a good listener 	<ul style="list-style-type: none"> Use good table manners Use "Please" and "thank you" Use quiet voices Respect others' personal space Raise your hand for assistance 	<ul style="list-style-type: none"> Walk in the lunchroom Carry tray with two hands Keep cafeteria clean Push tray to the middle of table when finished Put your head down Place all trash in the trash can
In the Hallway	<ul style="list-style-type: none"> Walk in hallways Face forward in single file Keep to the right side Keep hands to self Follow adult directions 	<ul style="list-style-type: none"> Use silent voices Be kind in line Look at displays and walls without touching or damaging 	<ul style="list-style-type: none"> Put away your belongings Keep hallways clean Report spills or problems
In the Restrooms	<ul style="list-style-type: none"> Keep bathrooms clean Wash hands Keep water in sink Put your trash in the trash can Keep hands and feet to self 	<ul style="list-style-type: none"> Use silent voices 	<ul style="list-style-type: none"> Flush Turn off water Get back to class
On the Bus	<ul style="list-style-type: none"> Keep head, hands, and feet inside the bus and to yourself Stay in your seat until the bus is at a full stop Follow adult directions Use quiet voices Silence at railroad crossings 	<ul style="list-style-type: none"> Use kind words and actions Wait your turn when boarding and exiting the bus Respect students, duty teachers, and bus drivers Respect bus property and others' belongings 	<ul style="list-style-type: none"> Keep the bus clean Save food and drinks for home Keep all belongings inside backpack Stay seated until dismissed Report problems to the driver

Students are provided clear definitions of expected appropriate, positive behaviors and receive regularly scheduled instruction and assistance for practicing the desired positive behaviors. Student rewards and incentives are used to encourage students to behave positively. Students are also given clear definitions of problem

behaviors and their consequences. Continuing misbehavior may result in a referral to the building principal. This may result in, but may not be limited to, the following actions, based on the **District's Discipline Matrix**:

- Parent notification, conference
- Loss of privileges
- Exclusion from activities (including field trips)
- Counselor referral
- Detention
- Suspension
- Parent with child in class
- Zero tolerance
- Due process

Bullying

The District's Anti-Bullying Policy was adopted on July 16, 2007. The District believes that providing an educational environment free from harassment, intimidation, or bullying for all students, employees, volunteers, and families supports a total learning experience that promotes personal growth, healthy interpersonal relationships, wellness, and freedom from discrimination and abuse.

The goal of the policy is to ensure that procedures are in place to prevent bullying, limit the prevalence of bullying, and to make consequences salient to everyone involved. If your child is being bullied, please contact the teacher/principal. There is a ZERO TOLERANCE for this type of behavior.

Computer Use & Code of Conduct

Technology devices will be issued to families requesting a device and signing the **District Issued Device Agreement Form**. This form outlines the acceptance and agreement to adhere to the guidelines and responsibilities of the device protection plan. If the device is lost or deemed to be damaged due to negligence as defined by school administration, replacement and/or repair cost may be assessed.

As with all school property, students must treat computers and other technology respectfully and access internet sources responsibly. The following procedures and code of conduct guide our school in these areas. Please sign the release form in your registration packet to allow your child access to technology tools.

ACCEPTABLE USE PROCEDURES for the COMPUTER SYSTEM and the INTERNET (STAFF and STUDENTS) (adopted July 2009)

PURPOSE: The purpose of this policy is to provide the procedures, rules, guidelines and code of conduct for the use of technology and the information network in the Raton School District. Use of such technology is a necessary element of the School District educational mission, but is furnished to staff and students as a privilege, not a right. The School District seeks to protect legitimate users of technology by establishing limits on such use and sanctions for those who abuse the privilege. Eliminating computer abuse provides more computing resources for users with legitimate needs.

DEFINITIONS: The definition of information networks is any configuration of hardware and software which connects users. The network includes all of the computer hardware, operating system software, application software, stored text and data files. This includes electronic mail, local databases, externally-accessed databases, CD-ROM, recorded magnetic or optical media, clip art, digital images, digitized information, communication technologies and new technologies as they become available. Stand alone work stations are also governed by this Policy on Acceptable Use of the School District computer system. As used herein, the user shall mean the system operations, staff members, account holders, and authorized students afforded access and use of the School District computer system as part of the School District curriculum under the supervision and as monitored by an authorized user.

INTRODUCTION: Raton School District provides resources for teaching and learning, communication services, and business data services by the acquisition of computer equipment and maintaining access to local, regional, national, and international sources of information. The School District permits use of its computer system and information resources by students and staff who must maintain respect for the public trust through which they have been provided, in accordance with policy and procedure established by the School District. These procedures do not attempt to articulate all required or

prescribed behavior by its users. Successful operation of the computer system and network requires that all users conduct themselves in a responsible, decent, ethical and polite manner while using the network. The user is ultimately responsible for his/her actions in accessing network services.

GUIDELINES:

1. Access to the computer system, information networks and to the information technology environment within the School District's system is a privilege and must be treated as such by all users of the network and its associated systems.
2. The School District's system will be used solely for the purpose of research, education, and school-related business and operations.
3. Any system which requires password access or for which the School District requires an account, such as Internet, shall only be used by the authorized user. Account owners are ultimately responsible for all activity under their account and shall abide by this policy and the School District's computer and Internet Code of Conduct.
4. The School District's technological resources are limited. All users must exercise prudence in the shared use of this resource. The School District reserves the right to limit use of such resources if there are insufficient funds, accounting, storage, memory, or for other reasons deemed necessary by the system operators, or if an individual user is determined to be acting in an irresponsible or unlawful manner.
5. All communications and information accessible and accessed via the School District's system is and shall remain the property of the School District.
6. Student use shall be supervised and monitored by system operators and authorized staff and shall be related to the School District curriculum.
7. Any defects or suspected abuse in system accounting, security, hardware or software, shall be reported to the system operators.

UNACCEPTABLE USE: The Raton School District has the right to take disciplinary action, remove computer and networking privileges, or take legal action or report to proper authorities, any activity characterized as unethical, unacceptable or unlawful. Unacceptable use activities constitute, but are not limited to, any activity through which any user:

1. Violates such matters as institutional or third party copyright, license agreements or other contracts. The unauthorized use of and/or copying of software is illegal.
2. Interferes with or disrupts other network users, services or equipment. Disruptions include, but are not limited to, distribution of unsolicited advertising, propagation of computer viruses or worms, distributing quantities of information that overwhelm the system (chain letters, network games, etc.) and/or using the network to make unauthorized entry into any other resource accessible via the network.
3. Seeks to gain or gains unauthorized access to information resources, obtains copies of, or modifies files or other data, or gains and communicates passwords belonging to other users.
4. Uses or knowingly allows another to use any computer, computer network, computer system, program, or software to devise or execute a scheme to defraud or to obtain money, property, services, or other things of value by false pretenses, promises or representations.
5. Destroys, alters, dismantles, disfigures, prevents rightful access to, or otherwise interferes with the integrity of computer-based information resources, whether on stand alone or networked computers.
6. Invades the privacy of individuals or entities.
7. Uses the network for commercial or political activity or personal or private gain.
8. Installs unauthorized software for use on district computers.
9. Uses the network to access inappropriate materials.
10. Uses the School District system to compromise its integrity (hacking software) or accesses, modifies, obtains copies of or alters restricted or confidential records or files.
11. Submits, publishes or displays any defamatory, inaccurate, racially offensive, abusive, obscene, profane, sexually oriented, or threatening materials or messages either public or private.
12. Uses the School District system for illegal, harassing, vandalizing, inappropriate, or obscene purposes, or in support of such activities is prohibited. Illegal activities shall be defined as a violation of local, state, and/or federal laws. Harassment is defined as slurs, comments, jokes, innuendos, unwelcome compliments, cartoons, pranks, and/or other verbal conduct relating to an individual which: (a) has the purpose or effect of creating an intimidating, hostile or offensive environment; (b) has the purpose or effect of unreasonably interfering with an individual's work or school performance; or (c) interferes with school operations. Vandalism is defined as any attempt to harm or destroy the operating system, application software or data. Inappropriate use shall be defined as a violation of the purpose and goal of the network. Obscene activities shall be defined as a violation of generally-accepted social standards in the community for use of a publicly-owned and operated communication device.
13. Violates the School District computer and Internet Code of Conduct.

SCHOOL DISTRICT'S RIGHTS AND RESPONSIBILITIES:

1. Monitor all activity on the School District's system.

2. Determine whether specific uses of the network are consistent with this Acceptable Use Policy or the Computer and Internet Code of Conduct.
3. Remove a user's access to the network at any time it is determined that the user is engaged in unauthorized activity or violating this Acceptable Use Policy of the Computer and Internet code of Conduct.
4. Respect the privacy of individual user electronic data. The district will secure the consent of users before accessing their data, unless required to do so by law or policies of the Raton School District.
5. Take prudent steps to develop, implement and maintain security procedures to ensure the integrity of individual and district files. However, information on any computer system cannot be guaranteed to be inaccessible by other users.
6. Attempt to provide error free and dependable access to technology resources associated with the School District system. However, the district cannot be held liable for any information that may be lost, damaged, or unavailable due to technical or other difficulties.
7. Ensure that all student users complete and sign an agreement to abide by the district's Acceptable Use Policy and administrative regulations. All such agreements will be maintained on file in the school office.

VIOLATIONS/CONSEQUENCES:

1. STUDENTS:
 - a. Students who violate this policy or the Computer and Internet Code of Conduct shall be subject to revocation of district system access up to and including permanent loss of privileges, and discipline up to and including expulsion.
 - b. Violations of law will be reported to law enforcement officials.
 - c. Disciplinary action may be appealed by parents and/or students in accordance with existing district procedures for suspension or revocation of student privileges.
2. STAFF: Staff who violate this policy or the Computer and Internet Code of Conduct shall be subject to discipline, up to and including suspension, termination or discharge, in accordance with Board

CODE OF CONDUCT (Adopted July 2009)

Use of the School District computer system and access to the Internet by students and staff of the Raton Public School District shall be in support of education and research that is consistent with the mission and curriculum of the School District. Internet use is limited to those persons who have District approval.

Use will be in accordance with the District's Acceptable Use Procedures and this Code of Conduct:

1. Students are responsible for good behavior on computers and in computer labs, just as is expected in the classroom and at school functions.
2. Access to the network is for research and communication with others strictly for educational purposes that support the District's educational goals and objectives.
3. Email accounts may only be set up as approved by the superintendent, technology coordinator, and/or systems administrator. Student email accounts will only be set up under **special circumstances** and at the request of school personnel for special projects and educational purposes.
4. If students have personal email accounts, for example, Hotmail or yahoo mail, they may not access those accounts on District computer systems.
5. Students may not use "chat rooms" unless the school personnel have determined that the site was formulated for educational purposes only.
6. If, for an educational purpose, you have been given a password or logon information, keep it confidential and protect it from disclosure to others.
7. Respect the privacy of other users. Do not use other users' passwords. Unauthorized use of passwords, access codes or other confidential account information may subject the user(s) to discipline, and to both civil and criminal liability.
8. If, for educational purposes, you have access to electronic communication, be ethical and courteous. Do not send hate, harassing or obscene mail, discriminatory remarks, or demonstrate other antisocial behaviors. State law prohibits the use of electronic communication facilities to send fraudulent, harassing, obscene, indecent, profane, intimidating or other unlawful messages. See NMSA 1978 § 30-45-1 et seq.
9. Maintain the integrity of files and data. Do not modify or copy files/data of other users without their consent.
10. Treat information created by others as the private property of the creator. Respect copyrights. Software protected by copyright shall not be copied except as licensed and stipulated by the copyright owner.
11. Use of the network in a way that does not disrupt its use by others. Do not use the internet for commercial purposes. Transmission of commercial or personal advertisements, solicitations, promotions, destructive programs or other unauthorized use unrelated to the mission or curriculum of the School District is prohibited.
12. Do not destroy, modify or abuse the hardware or software in any way. Users shall report any suspected abuse, damage to equipment or tampering with files to the School District system operators.
13. Do not develop or pass on programs that harass other users or infiltrate a computer or computing system and/or damage the software components of a computer or computing system, such as viruses, worms, "chain" messages,

global mailings, ResEdit, etc. Do not “hack” the system. Attempts to gain unauthorized access to confidential information or private directories maintained by the School District or to circumvent privacy protections on internal files or non-public restricted files, accounts or directories of any external source is a violation of this Code of Conduct, and may subject the user to civil or criminal liability.

14. Keep sound at a moderate level.
15. If your teacher allows you to change the screen set up, return it to the Windows Standard when you have completed your computer usage. Do not change any system settings.
16. Close access to the Internet when you are done.
17. Leave your workstation in good order.

In addition to disciplinary actions which the District may impose upon students or staff under applicable policies, codes of conduct or administrative regulations, the District reserves the right to remove a user’s account and deny use and access of the computer system if it is determined that the user is engaged in unauthorized activity or is violating this Code of Conduct.

Dress Code

It is the intent of the Raton Public Schools to promote a learning environment free of distractions as well as to prepare students for a career.

Please use the following guidelines to select appropriate school clothing:

- A. No clothing that promotes alcohol, drugs, drug paraphernalia, violence, or obscenity is allowed.
- B. No bare midriffs or styles that show one’s underwear. Sleeveless tops must cover at least 2 inches of the shoulder.
- C. Shorts and skirts must be no longer than four inches from the top of the knee. However, no spandex or biker shorts.
- D. Coveralls must be completely fastened. No chains attached to clothing or hanging belts are allowed.
- E. Bandanas, headbands, and hairnets are not allowed.
- F. All tattoos must be covered.
- G. Hats and sunglasses are not to be worn in campus buildings.
- H. No pierced jewelry other than earrings may be worn at school.
- I. No “see through” shirt, blouse, etc. may be worn over any garment that does not meet the dress code by itself.
- J. Baggy Pants that do not fit the waist or the legs will not be allowed to be worn on campus during a regular school day. (8 Inch Rule)
- K. Coats or outdoor wear will not be worn in the classroom during a regular school day.
- L. Shirts may not hang more than 12 inches from the waist.

*Principal will be responsible for determining clothing in violation of the appropriate dress policy. Violations will result in appropriate disciplinary action.

Theft	<ul style="list-style-type: none"> Detention, Parent Contact Behavioral Contract Refer to counseling Refer to CBMS Refer to law enforcement 		

This is a guide to the probable disciplinary measures that may be taken in the event of student misbehavior. Absence from the list of additional misbehaviors that may occur does not preclude disciplinary action from being taken on those misbehaviors, nor does it imply limitations to the disciplinary action. Administrator's discretion may be used to increase or decrease consequence. Age appropriateness will be considered.

The actual discipline determined for a given violation will be based upon consideration of a variety of factors, which will include, but are not necessarily limited to, the following elements: the age of the student; the frequency, type, and magnitude of previous misbehaviors by the student; aggravating circumstances associated with the incident; the relative severity of the event; whether the student's behavior violated civil or criminal laws; the degree to which the incident interferes with the educational process; the extent of endangerment to the student, other persons, and property created by the event; special intellectual, psychological, emotional, environmental, and physical characteristics of the student; the student's attitude concerning the event; and the expressed intent concerning the student's own future behavior.

Sexual Harassment

The effective education of our students requires a school environment in which students feel safe and secure. Sexual harassment of students, whether by employees or by other students, impairs the proper atmosphere for education, and often creates an inequitable climate for learning.

In addition to its negative effect upon education, sexual harassment negatively affects the character of young people, both the harassers and the victims of harassment. That is particularly so in view of the special vulnerability of students at different stages of their personal development. It is clear that sexual harassment, whether verbal or by other conduct, can create stress, distraction, and feelings of fear, inferiority, or anger, which are detrimental to the education of young people. Toleration of sexual harassment also sends the wrong message regarding appropriate social conduct. Sexual harassment is inappropriate behavior in school because it is inappropriate behavior in society.

It is also illegal. Title IX of the Federal Education Amendments of 1972 provides that schools must provide an educational program that offers equal benefits for boys and girls. Decisions of the United States Department of Education make clear that sexual harassment of students by employees or by other students may violate the law.

The Board of Education has designed a policy to address this important issue. Board Policy is available in the principal's office and at the District Central Office.

Family Engagement & Information

Visiting and Volunteering at School

- Virtual meetings are preferred and will be made available when possible.
- Volunteers and visitors will not be admitted to the school building except on a case by case emergency basis and / or with an appointment made at least 24 hours in advance.
- When you arrive at the school, ring the doorbell. You will be able to speak to office staff via the intercom.
- Items may NOT be dropped off for students (forgotten lunch boxes, backpacks, snacks, etc.) To help ensure your child has everything they need:
 - Please send your child with a clean change of clothes in a zip lock bag or grocery sack at the beginning of the year. This will be stored in their locker to use if needed.
 - Also send your child with a light jacket or sweatshirt they can keep in their locker and use as needed.
- Individuals who enter the building with an appointment or emergency
 - must wear an appropriate face covering and will be checked for temperature and respond to a verbal health screening
 - must maintain appropriate 6 foot distancing

Parent Advisory Council & PTO

New Mexico State Legislation requires that we form a school council made up of school staff, parents, and community members. Longfellow Elementary and Raton Intermediate School have a joint Parent Advisory Council and Parent Teacher Organization (PTO) which meets once each month. School issues are discussed and information is provided concerning goals and objectives for student learning. We encourage and welcome your attendance and will hold these on virtual platforms such as ZOOM or Facebook Live. See our Facebook feed for information about upcoming meetings.

Facebook

Longfellow Elementary School is on Facebook! Please search for **Longfellow School** on Facebook and like our page. You will be able to:

- View information about your child's school
- Receive up to date information on events, news, and schedule changes
- View pictures of exciting things that happen at our school

You can also join your specific Grade Level Group (after passing a few security questions) and receive more personalized information from your child's teacher.

Family Events

Longfellow School traditionally hosts a variety of fun and educational family events throughout the year. In the 2020-21 school year, we will be looking for ways to make these events happen on virtual platforms such as ZOOM or Facebook Live. Stay tuned to our Facebook feed for more information!

FERPA

The Family Educational Rights and Privacy Act (FERPA) is a federal law that requires school districts, with certain exceptions, to obtain your written consent prior to the disclosure of personally identifiable information from your child's educational records. However, the school may disclose some student information without written consent when the information is designated "Directory Information" unless you have advised the district to the contrary in

accordance with district procedures. Those forms and information are disseminated at the beginning of the school year.

Notice to Parents and Students

The Local School Board of the Raton Public School District No. 9 hereby gives public notice, as required by the Amended Family Educational Rights and Privacy Act of 1974 (FERPA), to all parents of students under the age of 18 and to students 18 or older that:

A. Raton Public Schools (RPS) maintains the following as education records directly related to students and subject to the limitations on disclosure provided in FERPA:

- Academic records
- Personal information records
- Disciplinary records
- Attendance records
- Health records
- Progress reports
- Standardized testing records

B. Access to education records is limited to:

- Parents of students under 18
- Parents of students over 18 if such student is dependent as such is defined in the Internal Revenue Code
- The Student
- Officials of this school district who have a legitimate education interest
- Federal, state and local officials to whom information is required to be reported
- Certain test organizations
- Accrediting organizations
- Appropriate persons in connection with an emergency
- Pursuant to subpoena or court order
- To a person with written consent of parent of student under 18/ student over 18

C. RPS policy requires that education records be kept to an essential or relevant minimum. Records are reviewed at the end of each school year and non-essential and irrelevant material is deleted.

D. RPS policy limits the right of access to education records to the persons and under circumstances indicated in Paragraph B above. RPS requires that copies be made available to persons entitled to copies. RPS policy provides that explanations and interpretations of records are available upon reasonable advance notice. Some records, such as standardized test scores and other material of a technical nature, may only be reviewed with a person qualified to interpret and explain such material and records. RPS policy provides the right to challenge the content of records. If records contain information on more than one student, the right to inspect relates only to that portion of the records concerning the particular student in question.

E. Student directory information is not considered an invasion of privacy or harmful if released and may be disclosed without prior written consent unless the parent or student notifies the principal of his or her objection in writing within 14 days from the first day of the current academic year. "Directory information" as defined by RPS policy includes: student's name, grade level, name of school the student attends, participation in officially recognized activities including but not limited to fine arts performances, graduation programs and sports, weight and height of members of athletic teams, honors and awards received, yearbooks, and identification in other photographs depicting school programs and activities.

F. Under the provisions of the federal "No Child Left Behind" Act, school districts are required to provide student names, addresses, and telephone numbers to military recruiters unless the parent or student (if over 18) specifically requests that the information not be released. Parents of students in grades 9-12 are asked to complete a form consenting to or denying the release of this information. If the form is not completed and returned to the child's school, requests for this information will be honored. Forms are available at all schools serving students in grades 9-12.

G. Questions regarding education records shall be directed to Kimberly Sanchez, Principal at (575)

445-9261 or the district office at 445-9111.

*Complaints about failures of the District to comply with the Family Educational Rights and Privacy Act may be made, in writing to FERPA Office, Department of Education.

Parents may request that the school obtain *prior written consent* before any “Directory Information” is disclosed or released about their child. The FERPA request form is available to parents in the office.

Field Trips / Permission for Walking Trips

While we will have no out of town activities this school year, short walking trips may take place throughout the school year - for example a walk around Roundhouse Park for fresh air and movement. A Permission Form for ALL walking field trips may be signed when enrolling your child.

- Permission for field trips must be signed and returned to school prior to the trip in order for the student to participate.
- We are not able to accept oral parental permission in lieu of written permission.
- All school rules apply on field trips.
- Parents and volunteers may not participate in walking trips until further notice.

Personal Items at School

Students may bring personal items to school **only with specific permission from the teacher**. This includes toys, playground equipment, electronic devices for educational purposes, and special items for display purposes. Pets may NOT be brought to school. Students and parents assume the risk for loss of items brought to school; Longfellow Elementary will not be responsible for the loss of any items brought to school.

Lost and Found

Each student is responsible for the school property that has been assigned to them, as well as their own personal property. If, however, a student finds something that belongs to someone else, it should be turned in at the office. Please encourage your child to check the lost and found. Each year, there are a number of jackets and coats that are not claimed and are donated to charity.

School Pictures

M.J. Thomas Photography provides our School Picture Service each year. We will send out picture dates as soon as they become available.
